BRIOCHE COLLECTION

DESIGN BY DENIS ARGER

THE BRIOCHE COLLECTION TRANSFORMS LIGHT INTO A DELICATE SCULPTURAL GESTURE. INSPIRED BY THE ORGANIC RHYTHM OF WOVEN BRANCHES AND THE SOFTNESS OF GLOWING FROST, EACH PIECE IS CRAFTED FROM FINE BRASS ELEMENTS AND ILLUMINATED WITH SUBTLE ICE-LIKE LED POINTS.

The collection combines artisanal detailing with a refined architectural silhouette, creating a warm, atmospheric presence for contemporary interiors.

Elegant, weightless, and quietly expressive, Brioche is designed for spaces where lighting becomes both function and art.
